

## **About John Rogerson:**

John Rogerson is the founder and principle lecturer of the Northern Centre for Canine Behaviour. He is widely acclaimed as one of the world's leading trainer/behaviourists, having pioneered many of the techniques that have now become standard practice in behaviour therapy and training. John is the author of no fewer than eight books and has produced two DVD's. John is in great demand as a training and behaviour consultant and in this capacity runs many courses worldwide to impart his skills and knowledge to others.

The organizations that he has run courses for and lectured to include: Guide Dogs for the Blind (UK and USA), Central Scottish Police Dogs, US Air Force Canine Section, Hearing Dogs for the Deaf, Dog Aid (Assistance in Disability), Battersea Dogs Home, The National Canine Defense League, The Blue Cross, The RSPCA, University of Illinois College of Veterinary Medicine, Washington State University's College of Veterinary Medicine, Southampton University, Glasgow University, Warwick University, The Indian National Kennel Club, the Canberra Dog Training Club, Bombay Vet School, Defense Animal Centre, Cyprus Defence Animal Support Unit, Australian Central Territories D.T.C., Cuban Ministry of the Interior, Miami Fire Department Search & Rescue Team, The National Animal Welfare Trust, The University of Pisa, Italy, and The Dogs Trust.

John should need no introduction to anyone currently engaged in the study of canine behaviour and training as he is one of the most sought after speakers on the subject in the world today and in 2009 John was delighted when he was awarded his Kennel Club Accreditation at a ceremony at the Kennel Club in London.

John is a founder member of the Association of Pet Behaviour Counsellors, is the founder of Support Dogs and a founder member of the Kennel Club accreditation scheme for dog trainers and behaviourists.

## **Registration Options for the John Rogerson 4 Day Canine CSI Seminar (includes light lunch and beverages):**

### **1. Dog/ Handler Team (\$500\*)**

- ❖ A Dog/Handler Team consists of one human and one dog, additional humans must be enrolled as auditors (see below).
  - ❖ Dogs can be from age 8 weeks to 8 years.
  - ❖ Dogs will need basic dog training equipment including a sturdy collar and 25 foot long line.
  - ❖ A bag containing five different types of food rewards, five different toys that a dog enjoys playing with and lots of personal enthusiasm.
  - ❖ Some formal obedience training in the dog will prove helpful. No dog is permitted off-lead at the seminar unless instructed to do so by John.
  - ❖ It is important that dogs are sociable around dogs and people that they do not know *(No aggression problems please!)*
- ### **2. Human Only Auditor (\$250\*)**
- ❖ An auditor is an attendee that wishes to be involved in all aspects of the seminar, but will not be working a dog.

**Please Note:** This course is not intended for law enforcement officers as it is a fun mystery course designed to create new ideas for running dog training classes where there's a real purpose and end result to the training.
